To Whom It May Concern,

I am pleased to write a letter of recommendation for Ms. Cheryl Stanley.

As Mayor, I was a member of the committee, which interviewed and appointed Ms. Stanley to the Livermore Area Youth Advisory Commission. Ms. Stanley has been a key member and has served in an effective leadership role on that Commission.

On the Commission, Ms. Stanley has been an active participant in a number of programs including a collaboration with the U.S. Conference of Mayors where Mayors from across the nation created an initiative to combat bullying in our schools and in our communities. I tapped into the resources of the Livermore Youth Advisory Commission to work with the community and assist in local outreach, which included a screening of the film, "Bully". Ms. Stanley was also instrumental in the creation of an annual essay competition, which offers an opportunity for young adults to express themselves and to give others the ability to tap into a greater understanding of the local youth culture.

Working with the Mayor's office, I have found Ms. Stanley to be hardworking, responsible, and a self-starter. She has been very pleasant to work with and she has an out-going and engaging personality. She continues to give freely of her own time, volunteering for a number of programs which assist the youth and the elderly of our community.

It is without any reservation that I give my highest recommendation for Ms. Cheryl Stanley and I am confident that she will excel in any endeavor onto which she puts her efforts.

Sincerely,

A handwritten signature in blue ink that reads "John Marchand". The signature is fluid and cursive, with a long, sweeping underline.

John Marchand
